effort which has been outstandingly successful. The auction got the fund really rolling and it continued in countless donations by individuals throughout the town. The groundbreaking, by Mr. Paul Alves, Mrs. Alden Kinney and John Pandolfi, at lower left, was followed by the building by the Lions Club volunteers. The bandstand is nearing completion and will be a beautiful addition to Shipyard Park as well as a proud testimony to the cooperation of scores of Mattapoissett residents.

## Bandstand Nearly Ready

THINGS ARE HUMMING AT SHIPYARD PARK

After a long wet winter and spring, activity has resumed at the site of the construction of the Mattapoissett Bandstand. The Band Committee is pleased to report much progress is being made.

The business of the past two meetings involved decisions on ornamental railing and sound equipment for a public address system. Mr. Bruce E. Rocha reported that the electric wiring is now installed. With completion of the bandstand very nearly at hand, subsequent meetings will now pertain to arrangements for setting the date of the special ceremony at which time the committee will make the presentation of the completed bandstand to the Town through

the Board of Selectmen. This will then culminate 19 months of hard drive on the part of not only committee members, but also that of the numerous volunteer townspeople, fund collectors and workers at the site. In addition, there were a number of business firms who volunteered equipment and materials which did help to keep the costs down. Finally, it is noted that the great success of the fund drive was the result of the generous townspeople. The campaign goal was set at \$6,000. and was met!

At the very beginning of the fund-raising campaign the committee made an important decision. It was to present generous donors with a "token of appreciation" gift. Sets of 4 ceramic plaques of Mattapoissett scenes and director chairs finished in walnut with canvas backs showing the new bandstand were ordered made. Today, in many homes these mementoes have become possessions of great pride. In spite of comments from

### In Appreciation

The success of "Blossomtime" - the Tri-County Music Association's scholarship ball held last Saturday night at the Knights of Columbus Hall - was due not only to the hard work of a tremendous number of people, but also to the enthusiasm of these workers and the enthusiasm of the community in its support. When people volunteer so generously to help in fashioning the beautiful decorations, in donating greens and beautiful fresh flowers, in loaning trucks and card tables, in manning the bar, planning and helping with refreshments and in selling and buying tickets, the affair is bound to be successful. The Directors of the Tri-County Music Association are extremely grateful to all of these individuals and to everyone who attended the Ball for making it possible to award meaningful scholarships to students in the area desiring to make music a career.

## Blossomtime Ball

A very beautiful setting provided the backdrop for dancers at the "Blossomtime Ball". Hundreds of live flowers filled the window boxes which lined the hall. A trellis of live white snowballs arched over the entrance, and Joe Ponte's orchestra was installed in a graceful gazebo. Bright awnings of colored paper shaded every window and trellises of paper flowers decorated the walls. The atmosphere of a spring garden was achieved to the appreciation and enjoyment of all the people in attendance. Individual tables were lit with candlelight and live flower centerpieces.

The music of Joe Ponte was excellent and

## Mattapoisett Yacht Club

### SECOND RACE - JUNE SERIES MYC

With competition scheduled in two classes, the Mattapoisett Yacht Club held the second race in the Saturday Senior Race (June Series) on June 12th.

Steve Ruel took the win in the Handicap Class and Tom Clark placed first for the Corinthians.

Eight boats answered the starting gun, with 15-20 mile winds and hazy skies prevailing throughout the afternoon.

The 9.2 mile course for the Handicap con-

testants, starting at Ned's Point, proceeded to Sunken Ledge Black Can 5, to Bow Bells Black Can 11, to Nye's Ledge Black Bell 9A, to Angelica Point Red Nun 2 and to finish at Ned's Point. They encountered mounting swells and the typical Buzzards Bay southwest wind chop.

John Malcolm's Witch of Agnesi, first at the start, was overtaken on the first leg by Steve Ruel's Tiara. Tiara continued to widen its lead to finish 9:20 (corrected time) ahead of Witch of Agnesi, followed 15:21 (corrected time) later by Pete Anthony's Eclipse I.

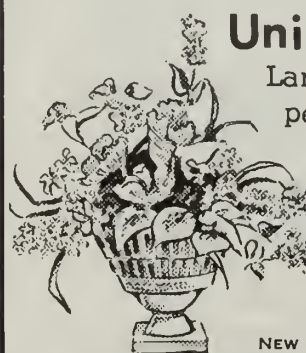

The Corinthians sailed to Sunken Ledge Black Can 5, to Bow Bells Black Can 11, to Nye's Ledge Black Bell 9A, and to finish at Ned's Point.

The five-boat fleet staged a hard fought, nip and tuck race with the lead changing several times. Norm Shachoy, skippering Blue Chip, made an excellent start, only to be passed at the first marker by Art Blackburn in Lorelei. Spaced less than a boat's length apart, the Corinthians rounded the second marker, with Bill Mee sailing Irish Eyes first in line. On the third leg (upwind leg) Tom Clark in Instead began

to forge ahead, besting Irish Eyes, and increasing his lead to win by a margin of three minutes. As the boats neared Nye's Ledge Black Bell 9A, the contest for second place began in earnest. ## Cadette Scouts

### GIRL SCOUTS CANOE DOWN RIVER

Cadette Troop 49 of Mattapoisett finished off their year with a real first. On June 5th they canoed down the Mattapoisett River from Hartley's Saw Mill to the Wolf Island Bridge, doing one portage. This trip will be remembered forever by the girls, leaders and the writer. The girls displayed patience and perserverance and acquired blisters, sore arms and "true grit". Needless to say when camp was set up everyone fell into their sleeping bags from sheer exhaustion.

The Scouts wish to thank Mr. Donald Grace for accompanying them on the trip and for his time and patience.
